RENEWED PETITION UNDER 37 C.F.R. 1.137(b)

Dear Sir:

Applicants renew their petition under 37 C.F.R. § 1.137(b) to revive an unintentionally abandoned application.

A petition to revive the above-identified application was dismissed because a review of the application file did not reveal that a response to the final Office Action mailed June 11, 2003 had been filed. See, Decision on Petition, mailed January 13, 2004 (copy enclosed). All other requirements were found to have been met. *Id.*

Applicants request consideration of their petition because a response was timely filed within the statutory response period. A Response to the Final Office Action was mailed on December 11, 2003, along with a Petition for a three month extension of time to extend the period of response up to and including December 11, 2003. A copy of the Response, including a stamped returned postcard indicating receipt by the United States Patent Office, is enclosed.

It is submitted that this submission satisfies the reply required under 37 C.F.R. 1.137(b)(1). Granting of the renewed petition is respectfully requested.

Please charge any additional fees due in connection with this matter, or credit any overpayment to Deposit Account No. 08-0219. If there are any questions, please call the undersigned at the telephone number indicated below.

Respectfully submitted,

Date: February 6, 2004

RE: 113873.120 US2

In re Application of

Action Date: 3/15/04

Eini, et al.

Action to be Taken: Reconsideration

Docketed By: VC On: 1/16/04

Application No. 09/653,267

DECISION ON PETITION

Filed: August 31, 2000

Attorney Docket No. 00/20309

This is a decision on the petition under 37 CFR §1.137(b), January 5, 2004, to revive the above-identified application.

The petition is **dismissed**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition" under 37 CFR 1.137(b)."

This application became abandoned for failure to respond in a timely manner to the final Office action mailed June 11, 2003. The notice set a shortened statutory period for reply of three-months from its mailing date. Extensions of time were available pursuant to 37 CFR 1.136(a). No response was received within the allowable period and the application became abandoned on September 12, 2003

Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by:

(1) the required reply, unless previously filed. In a non-provisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In an application or patent, abandoned or lapsed for failure to pay the issue fee, or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

(2) the petition fee as set forth in 37 CFR 1.17(m);

(3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(c).

The instant petition does not satisfy the requirements of item (1) above.

A review of the application file did not reveal a response filed to the final Office action mailed June 11, 2003. The Request for Continued Examination is noted, however; petitioner is either required to file an amendment or and Information Disclosure Statement with the Request for Continued Examination. No amendment or Information Disclosure Statement filed after the final Office action was mailed was noted. It is concluded, therefore, that a proper response to the final Office action has not been filed and such a response must be filed before the application can be revived.

Further correspondence with respect to this matter should be addressed as follows:

By mail: Commissioner for Patents
United States Patent and Trademark Office
Box 1450
Alexandria, VA 22313-1450
